Received and filed letter on fishing line Recycling from science teacher..

Review of disparate mooring count issue at Fogland
Question of some on south side as for QDYMC
issues addressed in pending harbor plan.

Review of ownership and riparian right issues of 'dock' and float with boats on it in Sin & Flesh area.
Harbor master to notify owner John Peckham to remove same.

Harbormaster's report

Toured waterfront with Clean RI with Town Manager

Waterfront cleanup by Clean RI reviewed with cost to town only the dumpers needed for removal (est: 11).

Question arose as to the condemnation of the Stone Bridge by the state making the dingy dock impossible to reach.

Save the Bay contacted CRMC and USCG re: Borden Light tire bundles.

Moorings 369 total plus 40 unidentified, down from 69, all tagged for future action pending authority under ordinance changes.

Respectfully submitted,
Bruce H. Cox
